Beltone Investments S.A.E. F.Z., a foreign broker-dealer, has prepared this research report. For further information concerning this research report or any security described herein, please contact Beltone Enclave Securities, 708 Third Avenue, New York, NY 10017, 646-454-8600 ("Beltone Enclave"). Beltone Enclave is a division of Enclave Capital LLC, a U.S. broker-dealer that is registered with the Securities and Exchange Commission (the "Commission") and is a member of the Financial Industry Regulatory Authority (FINRA). Since this research report was prepared by a broker-dealer that is neither registered with Commission nor a member of FINRA, U.S. rules on research analysts and research reports and the attendant restrictions and required disclosures do not apply.

This research report does not constitute, nor shall it be deemed, an offer to sell or the solicitation of an offer to buy, any security, and has been prepared for informational purposes only. While reasonable care has been taken to ensure that the information contained herein is correct and not misleading, no representation is made as to the accuracy or completeness of this research report and, as a result, no reliance should be placed on it and no liability is accepted for any direct, consequential or other loss arising from any use of this research report or its contents.

This research report contains information that is intended to be conveyed only to intended recipients that are "major U.S. institutional investors" (i.e., U.S. institutional investors that have, or have under management, total assets in excess of \$100 million or investment advisers that are registered with the Commission and have total assets under management in excess of \$100 million). If the reader or recipient of this research report is not the intended recipient, please notify Beltone Enclave immediately and promptly destroy this research report without retaining any portion hereof in any manner. The unauthorized use, dissemination, distribution or reproduction of this research report by any person other than the intended recipient is strictly prohibited.

Any transactions in a security discussed in this report may be effected only through Beltone Enclave, which accepts full responsibility for this research report and its dissemination in the United States. Beltone Enclave has not and shall not receive any compensation for the dissemination of this research report.

It should be noted that:

- Neither Beltone Enclave nor any of its members or affiliates own shares of the subject company's securities;
- Neither Beltone Enclave nor any of its members or affiliates managed or co-managed a public offering of the subject company's securities in the past twelve (12) months, received compensation for investment banking services from the subject company in the past twelve (12) months, or expects to receive or intends to seek compensation for investment banking services from the subject company in the next three (3) months;
- Beltone Enclave does not make a market in the subject company's securities at the time this research report was published; and
- At present, there are no material conflicts of interest known to Beltone Enclave at the time of the distribution of this research report.
